TOP SECRET

WORKING PAPER

Project ARGO (Peaceful Uses)

A symposium to mark the end of the Project ARGO's Team's investigations (of KH-4, KH-5, KH-7 [redacted] 25X1 [redacted] is now scheduled to be held by Project ARGO in the NPIC Auditorium Wednesday, 6 March 1968. 25X1

The program is aimed at a technical audience, although managerial types are also expected.

It will last all day. The morning's schedule (0930-1230) is planned to have an introduction by [redacted] 25X1 [redacted] describing the objectives of the Project, followed by the teams' presentation of 8-10 papers on results. The afternoon is to be devoted to a plenary session at which questions will be entertained and discussion encouraged. If anticipated discussion developes the group may be broken into as many as 6 discussion groups. 25X1

WSS has indicated that NPIC could use 12-20 seats. It is expected that the demand from the Washington area will exceed the 150 capacity of the Auditorium. [redacted] will soon write invitations to the agencies via members of the "Steering Committee" asking for nominations for attendance, to be submitted to him by 26 February. 25X1

The report will be published previous to the Symposium and available.
